

ARE YOU INTERESTED IN ARCHIVES OR RECORDS MANAGEMENT OR WANT TO KNOW MORE ABOUT THE WORK OF GOVERNMENT RECORDS PROFESSIONALS?

Check out this new and exciting opportunity!

The National Association of Government Archivists and Records Administrators (NAGARA) Internship Program matches students enrolled in archival and/or records management graduate programs with under-served archival or records programs in local or state governments. The program seeks to create good will and offer opportunities where both institutions and students can collaborate and can learn from each other and from the experience.

The internship provides a \$1,500 stipend to each of two students matched with projects at either the Greene County (OH) Records Center and Archives or the Seattle (WA) Municipal Archives.

Student applications will be accepted January 1 – February 28, 2020. Winning students will be announced April 1, 2020. For more information on the projects, student requirements, and how to apply, please go to the NAGARA website at nagara.org!
