To help ensure the safety of our community, the Society of Ohio Archivists strongly urges that all registrants wear a mask regardless of vaccine status. While masks are not required by Columbus Metropolitan Library, we strongly suggest they be worn, especially when in crowded rooms, for the health and safety of our community. The Society of Ohio Archivists will continue to monitor CDC guidelines, Columbus Metropolitan Library policies, and the City of Columbus mandates. Public health measures are changing rapidly, and SOA will continue to evaluate and update these protocols to be in-line with recommended standards as we get closer to the event.
