

COME JUDGE AT

**OHIO**  
HISTORY DAY

Join us at one of the 10  
Regional Contests or the  
State Contest!

Calling all educators, historians,  
museum professionals, and  
anyone with a love of history and  
community!

Be a part of history! Ohio History Day, an affiliate of National History Day, invites students in grades 6-12 to become historians. Students research a topic and create projects to highlight what they've learned.

We're looking for judges to evaluate their work, and we hope you'll be one of them!
