Speakers:

Andrew Sanderbeck – People Connect Institute

A recognized expert trainer, coach and consultant on leadership and team development, customer service and developing cohesive management teams. Andrew will be the facilitator for the duration of the institute.

Ronnie Storey Ewoldt – Director of Public Services, Anythink Libraries, Colorado

The Rangeview Library District has rebuilt itself as the Anythink Library. Learn how this transformation has taken place and how the Anythink Library is building 4 new branches and renovating 3 others, rebuilding our IT infrastructure, and redefining "customer service."

Kieran Hixon – Colorado State Library

A librarian that is passionate about rural libraries. His focus has been on open-source software and low-cost tech solutions for small, rural libraries.

Michael Stephens – Asst. Professor in the School of Library and Information Science at San Jose State University.

A recognized scholar and educator in the areas of emerging technologies in libraries, technology learning programs, user-centered planning for libraries, and future roles of librarians & libraries.

Samantha Chada - Emerging Technologies Librarian, Sandusky Public Library

Julie Theado - Social Media Manager, Columbus Metropolitan Library

Linda Braun - Educational technology consult. with LEO: Librarians & Educators Online. Working with schools, libraries, and other types of educational institutions to help them figure out the best way to integrate technology into their programs and services.
