*Food That's In When School Is Out*

Parents, save money on groceries this summer! Your children 18 and under can eat free, healthy food at safe locations, such as your nearby pool, park, church or school. All families are welcome, and there is no sign up necessary- just bring your children to a summer meal site. Many locations offer fun activities so your kids can stay active and spend time with friends.

Call **1-855-570-7377** to find a location near you then stop by for food, friends, and fun! The Ohio Summer Food Service Program is administered by the United States Department of Agriculture.
