#### 1. Welcome to the State Library of Ohio Five-Year Evaluation LSTA Survey

The State Library of Ohio is surveying the Ohio Library community as part of the evaluation of its LSTA program. Your responses will help the State Library of Ohio (SLO) evaluate the use of Library Services and Technology Act (LSTA) Funds in Ohio as specified in LSTA Five-Year Plan, 2013-2017. You will also provide information that will help the State Library create the new LSTA Plan, which will guide the use of these funds for 2018-2022.

This survey will ask you for information about your library and your opinions about the following:

- The LSTA Grants to Libraries
- The Statewide Programs including Ohio Web Library/iSearch e.g databases; Serving Every Ohioan (SEO) Center, Ohio Digital Library, e.g. e-books; Services to Youth; and others.

Completing the survey: This survey does not need to be completed in a single session. You may exit the session and return to the session without losing your work. There is an icon in the upper right hand corner of the screen to 'exit the survey'. To do this "exit/reenter" of the survey, you will need to enable cookies on your browser, as this is the way SurveyMonkey tracks respondents. Additionally, you will need to use the same browser and the same workstation/laptop in order to complete the survey upon re-entering.

We are providing a PDF version of the survey that you may use as a worksheet prior to completing the survey online.

We anticipate that most survey respondents will be able to complete the survey in 20-25 minutes. We recommend that you use the PDF version of the survey to review the questions, prior to completing it online.

Confidentiality: All opinions and information that you provide in this survey will remain confidential. We will combine your responses with all others to analyze the results in aggregate and will not link any response with an individual. The responses are being collected and analyzed by independent research consultants. Only aggregate results will be published.

If you have any questions about this survey, please contact Liz Bishoff at liz.bishoff@gmail.com. If you have any questions about the State Library's Ohio's LSTA program, please contact Missy Lodge, Associate State Librarian, mlodge@library.ohio.gov.

Thank you for assisting us in this important effort.
