

It's BANANAS: Behind the Scenes of The Scholarly Banana

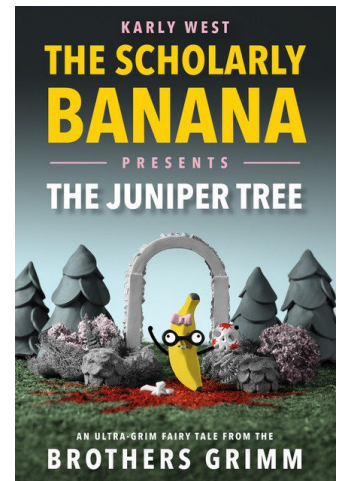

ZOOM program Tues. Jan. 5, 2021, 6-7 PM

The Scholarly Banana is a comedic graphic novel series for teens and adults that retells old, creepy fairy tales and tricks you into learning fun facts about them! Join local author Karly West to learn about her creative processes, sculptural techniques, and lessons learned about conceptualizing, writing, designing, and independently publishing The Scholarly Banana's first two books.

This program is open to teens & adults. Registration with an email is required to receive the link for ZOOM.
