Worthington Libraries

Adult Services Librarian

We love superheroes, honeybees and BuzzFeed DIY videos. Why? They help people. If you enjoy helping people, too, we'd like to work with you!

As a librarian, you'll be part of a hard-working, fun-loving group that jokes about our unofficial motto: "Teamwork makes the dream work!" It's in this team environment that you'll play a vital role in developing innovative programs and services. Your flexibility, creativity and enthusiasm are just what we need to create quality experiences and share with patrons – let's be honest – amazing library resources!
