**SERVICE SUMMARY**

Affordable, effective, custom search engine optimization

**Website SEO Audit** – We audit your website monthly for performance, meta titles, descriptions, alt-text keywords and URL structures to ensure alignment with the latest Google algorithm.

**Directory Submission** – We submit your site to the top 800 directories. The submissions will help build a diverse profile of quality search engine friendly links back to your website.

**High Quality Back Linking** – Our team of SEO experts focus on creating high quality links to your website. We partner with PR-2 and PR-3 link providers to get your website on the 1<sup>st</sup> page of Google.

**Pinging** – Our marketing experts will automatically ping your link/URL through 1600+ different high page rank domains. The approach we use adheres and follows all major search engine rules and policies.
