I would like to thank you for coming to our Summer Reading Club at Powhatan Point. We all enjoyed your performance....children and adults both. I hope to have you come again another year.

Anna Johnson

Manager, Powhatan Point Branch of Martins Ferry Public Library

Thanks so much for performing at our Dolly Parton Imagination Library launch party. You did a fabulous job.

Heather Weekley, Director, Sistersville Public Library

What to EXPECT :

Your Group Will Be Captivated: my programs are engaging, entertaining and maintain the highest standards of educational significance.

Each show has been developed to inspire students to succeed.

Increases Circulation of Books: After the program the books in your library will seem to disappear off the shelves. When students get excited about reading the circulation of books will always increase!

Amazing Follow-up: From the first call or email to book the show until the follow-up survey after the show, I am available to answer questions, offer suggestions and serve you and your event. Just let me know how I can help!

Everything is Provided: I bring all the equipment necessary to make your event a success! All you provide is a place to perform and an audience.
