Protect IMLS: Tell Congress your library story

Federal funding for libraries is on the chopping block. An executive order of the President calls for elimination of the Institute of Museum and Library Services – the only federal funding dedicated to libraries. Show Up For Our Libraries by telling your Congressmembers to protect IMLS and the library services that make a difference in your life.

Show Up For Our Libraries

Dear [official],

As a constituent and an advocate with the American Library Association, I'm writing to ask you to protect funding for the Institute of Museum and Library Services. Federal funding helps libraries deliver essential services that make positive impacts in our community.

Sincerely,
Your Name

THANK YOU!!
